Dual Degree Courses in Germany

The Dual Degree programme aims at empowering students with academic and applied skills. It will open unlimited avenues for Indian professionals to pursue careers in the world's best place to work. Young Human Resource with excellent vocational skills is already high in demand in Germany. Almost 70% of job positions in Germany are vacant for trained staff from outside the nation. Therefore, it is inviting foreign students to study and accumulate hands-on expertise to work and grow in its innovative industrial infrastructure. For those who want to build a secure and successful career in foreign countries, this vocational training is a step towards fulfilling their dreams.

The course will include 2 days of classroom studies and 3-4 days of practical training. Right from the beginning, students will earn an attractive stipend for working with employers that will help candidates manage their livings in Germany. After completing the course, apprentices will be placed permanently at one of the Hospitals they have worked for during the course.

Salient features of the Courses

- 1. Learn and Earn:** Paid training with a starting stipend of 900 Euro (INR 76,500) per Month
- 2. Minimum Investment:** Majority of the cost is being sponsored by the proposed employer. Thus the cost of the course is lowest compared to other countries.
- 3. 100% Job Placement:** After completing the course, candidates shall have guaranteed employment.
- 4. Equal Pay Scale:** Indian students will get salaries similar to German citizens.
- 5. Course Duration- 3 years:** Become a Licensed Nurse in Germany after course completion
- 6. Course Commencement** - March and September every year
- 7. Eligibility for German PR:** Excellent chance to attain German Nationality. Candidates shall be eligible for PR and Citizenship after their employment.

Eligibility Criteria

Age limit: 18 to 28 years

Educational qualification: Minimum 10+2 or higher with 55% marks

(Note: Candidates having Biology in 12th Standard shall be preferred)
